Support

Top level support is what makes ROOT a success. We do our utmost to solve any issues as soon as possible. To make this task as efficient as possible for us follow these [few simple rules](#) ^[1]. In case you think you have found a bug, please first [search](#) ^[2] the [forum](#) ^[3] and [roottalk digests](#) ^[4] to see if the issue has already been discussed. If not then please file a [bug report](#) ^[5].
