## Contact Us

You can contact the ROOT developers in the following ways, in order of preference:

- Via the [ROOT talk](#) <sup>[1]</sup> web forum. Use this forum to post your questions. ROOT team members are actively reading this forum and answering the questions. And if the developers don't happen to be online your question might be answered by a fellow user. Remember, before posting a question, do a [search](#) <sup>[2]</sup> to see if the issue has already been discussed.
- Via the [roottalk](#) <sup>[3]</sup> mailing list. To get on the mailing list fill in the [registration form](#) <sup>[4]</sup>. Also here, first [search](#) <sup>[2]</sup> the [digests](#) <sup>[5]</sup> to see if your question has already been discussed.
- Direct mail to the [ROOT developers](#) <sup>[6]</sup>.
