Other Resources

Many project using ROOT are being developed and many external resources exist which are of great interest to the ROOT community. As the ROOT community is constantly growing, it may be a bit difficult to keep track of everything that happens. These pages are intended as a guide to contributed projects, websites, and resources related to ROOT.

- **Publication List** ^[1]
Articles written about ROOT by the ROOT team and others.
- **Example Applications** ^[2]
Applications that are using ROOT.
- **Tutorials and Courses** ^[3]
A list of ROOT tutorials and courses.
- **Workshops** ^[4]
A list of ROOT and PROOF workshop.
