## Christmas Tree

Hi,

I wish you a relaxing break - be it Christmas, Hanukah, family or presents. All the best for next year: start off with a good party, go on with successful physics and a happy private life! And where applicable, please continue to use ROOT in 2012 ;-)

As a little ROOTy Christmas gift, enjoy this old but still fantastic [xkcd episode](#) <sup>[1]</sup> ([read this](#) <sup>[2]</sup> for explanations):

Talk to you next year!

Cheers,
